## 'DRIBBLING' FOR DOLLARS

The Pastoral Centre 'Knickerbockers' are still recovering from a fun-filled, heart-pumping, lung-expanding wild day of basketball on Sunday, January 15, 2017.

Seven different teams comprised of players young and old, skilled and unskilled, South Island and North Island, gathered in faith and fun to raise funds for the

upcoming Diocesan Youth Conference in May. This was the first time an event of this nature has happened and it was a wonderful success. We didn't even get our 'Knickers in a knot'.

Next year we anticipate fiercer competition when Bishop Gary and Merlin suit up for the 'Knicks'.
